ABOUT EACH1 TEACH1 MENTORING

Each1Teach1 Mentoring aims to support individuals who are establishing, expanding or improving their care organisation or career in care.

With combined experience of over 45 years in the social care sector, we are passionate about sharing our knowledge, the expertise of experienced professionals and fostering peer-to-peer learning to drive progress and innovation.

Shaping a brighter future for the social care sector!

OUR SERVICES

At Each1 Teach1 we offer a comprehensive suite of support solutions designed to help people either grow and develop their care organisation or help care managers have the tools and information necessary to grown their skills and knowledge. This will be delivered through a three month CPD accredited programme with two streams, one for managers and one for company directors, a suite of useful documents and spreadsheets to help evidence an organisation's quality of care to stakeholders, CQC, local authorities and customers.
